

PERFORMANCE SEATING

Herman Miller Embody Chair

Features

- Embody's tilt provides natural, balanced motion through a range of posture changes. Its additional "kicker" feature provides an extended recline for stretching.
- PostureFit supports your spine at its lowest point, the sacrum, and reinforces your pelvis, preventing slouching and fatigue while you sit.
- A highly engineered matrix of pixels provides targeted pressure distribution throughout the seat and back (for optimal weight distribution, blood flow, and thermal comfort).
- Turnable central spine and flexible ribs align the chair's backrest with your back's natural curve to uniquely support each region of your spine.
- The narrow design at the top of the chair encourages torso movement and allows for arms to swing freely, increasing airflow into the lungs.

Details

Price: \$949.23

Manufacturer: Herman Miller

Distributor: Intereum

Seat Height and Depth

Height Range: 15" - 22"

Depth Range: 15" - 18"

Warranty

12-year, 3-shift
